ENJOY C9 BRAND & MAKE SOMEONE HAPPY!

IT // C9 Brand - THE TINY FAMILY

è disegnato e realizzato in Italia ed è un marchio che ripensa il mondo moderno e ci riporta di nuovo ai nostri antichi valori. Tiny Family è un piccolo modo di mandare un saluto o un pensiero via posta. Ormai, con le nuove tecnologie, non si mandano più cartoline, si mandano foto via messenger o email. Un peccato non aver più il calore della carta, delle cartoline, ecc... . Gli elementi di design sono oggetti che non si possono trasmettere via internet, si possono invece personalizzare con un messaggio e spedire via posta. L'oggetto stesso sarà un ricordo del messaggio ogni volta che sarà utilizzato o portato. Ovviamente si può anche solo dare di persona e rendere felice qualcuno! ;)

EN // C9 Brand - THE TINY FAMILY

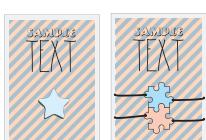

is designed and produced in Italy - it rethinks the modern world whilst bringing back a touch of nostalgia and traditional values. The Tiny Family is a small idea with a big heart - to send a greeting and a little thought by post. In a fast world of new technologies, we have stopped sending postcards and instead use messengers and email to communicate. The romance of postcards has been all but lost The Tiny Family postcard encompasses the romance of traditional postcards with custom design which includes a small, unique gift. Each postcard is can be personalised and the little gifts themselves a special message of the recipient.
